# Advancements with Ted Danson Explores Breakthroughs in Blockchain Education for CNBC Broadcast

PR Newswire November 1, 2019

Meeting of the minds at UC Davis for upcoming episode of Advancements television series.

JUPITER, Fla., Nov. 1, 2019 /PRNewswire-PRWeb/ - Advancements with Ted Danson went behind-the-scenes at UC Davis on Thursday, October 31st to learn about developments in blockchain education.

A new program at UC Davis aims to advance blockchain technology, while assisting University of California with the growing demand of students who are interested in learning about the burgeoning technology.

Advancements met with Dr. Mohammad Sadoghi, head of [ExpoLab](#) at UC Davis, who is leading the initiative, as well as [Blockchain at Davis](#) (BaD) President, Sach Samala, and Head Instructor John Long, to learn about the program and what led to its development.

Taking place on campus at Kemper Hall, Advancements producers got a behind-the-scenes look at BaD and learned how the student-run organization works to provide blockchain education and consulting services to the greater Sacramento region.
